

OCEAN SLIME

STEP-BY-STEP

SUPPLIES:

- ½ cup Clear Washable Glue
- ½ cup Water
- Food Coloring
- Glitter
- ½ tsp Baking Soda
- 1 tbsp Saline Solution
- OPT: Fun Ocean Animals
- OPT: Gems

STEP ONE

In a bowl, mix ½ cup of water with ½ cup of glue until combined completely.

STEP TWO

Add 3-4 drops of blue food coloring and glitter

STEP THREE

Stir in ¼ to ½ tsp of baking soda

STEP FOUR

Mix in 1 tbsp of saline solution and stir until slime pulls away from sides of the bowl.

STEP FIVE

Knead the slime until the consistency changes from stringy to firm.

STEP SIX

Add the fun ocean animals or gems, and store in a reusable container for extended fun.
